We are looking forward to being there and assisting you with your catering need. The Menu Above is our simplified Catering Menu with your choice of 4 items.

Once your items are selected, we will send an Invoice for the quantities up to the agreed upon servings. We will bring equal portions of items. Once sold through, we will serve from the remaining items. We will also bring a small surplus buffer amount in case it looks like there is greater demand than the agreed upon total servings. If you want us to serve additional quantities, then we will issue another invoice for the price per serving that was agreed upon, plus service gratuity, tax, etc.

In the rare case there are issues on our end such as Food Truck Breakdown, Mechanical Issues or Equipment Failures that prevent us from coming out, will notify you ASAP and also provide a full refund.

Once payment is made, we will confirm the booking. Please feel free to call, text or email with any questions, 281.858.3113
